Dear Mr. Aushev,

We are writing to let you know how much we appreciate the outstanding service that your company provided. Upon contacting your company to purchase furniture for our new project, your staff was very attentive and helpful. The employees we interacted with were very knowledgeable about your product line and seemed genuinely interested in helping us find items that met our needs rather than just being focused on making a quick sale.

Because of their efforts, we were able to find exactly what we needed and we are very satisfied with products and services rendered by your esteemed organization. We hope to continue to work with your company in the future, as well as recommend it to others. Please let your employees know that their efforts did not go unnoticed. You have put together a great team that makes customers feel respected and valued.
